AYER'S Cherry Pectoral.

No other complaints are so institions in their attacks a those affecting the hreat and lungs some so trifled with hy the majority it safferers. The ordinary cough or only, resulting perhaps from a Liffing or Tunocuckton exponent, is often but the beginning of a fatal sickness. Ayra's Cuzkavi Proroath has well proven its efficacy in a lorty years' fight with threat and long disears, and should be taken in all cases without delay.

A Terrible Cough Cured.

"In 1857 I took a sovere cold, which affected my lung. I had a terrible cough, and passed might after might without sleep. The dectors give me set the decident of the strength without sleep, and passed might after the decident of the strength of the second of the strength. By the continued use of the Factorat a permanent cure was effected. I am now for years old, bale and beauty, and am satisfied your Cherry Patternal, sayed the.

Hould be the strength of the strength of the second of the s

Hockingham, Vt., July 15, 1882.

Croup.—A Mother's Yribute.

"While in the country had winter'my little boy, three years old, was taken ill with croup, it seemed as if he would die from strangelation. Doe of the family suggested the me of ATREA CHERRY PETFORAL, a bottle of which was always kept in the house. This was tred in small and frequent doese, and to our desight in less than liaif an hout the little patient was breathing easily. The doctor said that the CHERRY PYTORAL had saved my darling's IRC. Can you woulder at our grainfinder. Sincermly years,

100 West 128th Big. New York, May 16, 4882.

"Hany and ATRIA" CHERRY PETFORAL. "I have used AYER'S CHEMRY PROTORAL in my family for several years, and do not bestike to prosounce it the most suffectual runsely for coughs and colds we have ever tried.

Lake Crystal, Minn, March 13, 1882.

"I suffered for eight years from Bouichitia, and after trying many remedies with not sno costs. I was cured by the use of AYRES CRE-MAY PECTORS I. JOSEPH WARDES." Byhalia, Miss. April 5, 1887. "I cannot say ebough in praise of, Aura's CREARY FROTORIA, believing as I do that but for its use I should long since have district in the fathous long tenders.

Priestine, Texas, April 22 [180]. No case of an affection of the threat or lungs exists which cannot be greatly refleved by the use of Arra's Curker Pacrons, and it will always care when the disease is not already beyond the control of nieddon.

Ahlg an i Courter MONDAY JUNE 22, 1885. \_\_\_\_\_\_

Gathering of the Veterans The special event of this week is the Nu tional reunion of the veterans of the Grand will be one of the largest and most import wrecking that gatherings in the justory of Maine. So long

and every house, every heart thousands of boys in line who sought our borders of these noble men some of Government at admit, it would be in ly whom will travel thousands of miles to make their old commits of miles to seek out ex Confeder to meet their old commits of once more 17. the battle searred heroes in line ugain and come so may districtly our nation, we the hospitality of the city of Portland have restored them to all their old time will be tested to its atmost capacity to energiates we have seen than homorody with tertain the crowds of visitors who will be high position of this is not cough to coming and going through the week. The secure "fraternal feeding" on their pair in L. sorious commutees, having in chargo, the is difficult to tell what would arrangements have been indefatigable in. When it is proposed to put and polision their efforts to perfect a pleasant programme and we trust that nature may thus confer apon then the homers that me smile upon the notable gathering and that nothing may mar in the slightest degree halt in the march of gash. It would be the enjoyment of the occasion and day for this country if we should JUST

cited the remark in our issue of that morn ing that we had not seen the report of the Bulknup board upon the Dolphia and loftily accust g us of ignorance proceeded to show that the report, and been printed in the New York Herald and S n Solt had in Arbias a issue of those turners which reacted Bingor Satu dig inorning aRe-our article written Friday evening was la print, but before the very knowing for invertible of Siturd is excelling appeared. That exposes about 19 cl (up in attempt smartness is we have lately seen We have read the report's good by Com nodore Belkusp Comminder Frans a d Foglacer Winter which was not given funtil twenty four hours after the Secretary a letter had been circulated by the Associated Piess, and we find that they criticise the coss I quite severely in a great nung respects. It appears service arts, however that their most important ob ections are raised more igniest, the designs and alter it: may adoby the Navid Advisory. Board than igniust the in inner in which the designs and instructions were carried but by the budder. This brings the matter to a difference of judgment between the Advisory Board that planned and supershed the cors runtion and the later Board appointed by the Secretary to give their cplulo is of the ship. It is presumance that there will be snother side to the story and that the board of officers which work is Auditor will not approve, and therefore Auditor will not approve, and therefore the towns. The lilo is of the ship. It is presumable that in reply. We sollice that a Washington calls upon De Forlag for the money desprech of bridge stated that no copy of thu Belknap report had been received by a Vivsery B and although the Secretary had in the little text of an offic il etter to the Attorney Ceneral which by half c ton reflected severely upon those

to: correspondent of the Boston Herild who access the Advisory Beard of favoring Pouch states on the other hand that The Bellship board is composed of men plats in dente says is as disgusted with who are powerfully propulted against the Covelland Administration as Sengar and who will be glad to put them both leg himself | thilleis in ekettle of hot water. The Belknap orard his three regard to the other in a spontaneau of ladge stillous to the gris since administrative people who ally in terms to the first mission is get the view thing of the viewel except from Mi Ottolal record to the New York Sta the could true reports of hostile may if Zerban that I other promitent termine of be ests our condussioned by a Republication of the public conduction and the lamb that the lamb the lamb that lamb the lamb that lamb the lamb that the lamb

On the most important point mised by the Belking board that of alleged his secretary to write to one of the Belking board that of alleged Judge Stallo a friends. Does signed the transfer of the day of the task for the day of the task for t rt of a trid t selector so ne time an eigh weather can satisfactorily deter mide her mount strength or weakness This in ibility to determine us to her rength is attributed by the n principally to the fact that it is now I npossable to in spect portions of the completed vessel that

cle sed up or to test the material used F r those very reasons the opinions of the fficers who tested the material from div to by and superintended every stage of the construction ought to be of some volume Mr. Roach should be held up to the full perfequence of the contract, but the engert se of a Democratic Admir istration to en februike work of its Pepublican prelear sepre, is too manifest to permit fair minded people to pass Judgment upon one a first case. We wish to hear what Admiral Simpson and life colleagues have to say lorger to the strictures upon their

That glorious Democratic short the Modifpiller tryus must be bleased with the policer of such disight. Already it seems to see the Democrats of Vermont and Minister Philips to the Senate in place of Edmun 1s.p. Historio Globe.

Most recolory allies the shown paragraph. Most people a silling the above paragraph sould at orce decide that the Argus was would be oriented that the Argus was sufficied with a Democratic compilaint not LACE BOOTS. rused by total abstinence nor usually designated as "second sight."

Democratic papers are fond of quoting the sayings of the Boston Herald, and of referring to it is a Republican new spaper to it happens, the Herald never was Republican in its politics, but we hope, sage the Philadelphia Press that fact will not lleter it Democratic admirers from giving tirentation to this paragraph from its columns. In many of the Southern States there is scarcely a pretense of honesty i elections the arowed purpose being to we cure the rule of the white race by what aver management may be deemed necessury Phat is a pretty strong admission to be made by a paper which is industrionsiy working to prote its right to be know as taffy ladler in ordinary and party strengthener extraordinary to His Excellency, Grover Claveland

"A Gushing" Proposition Mr. Sid M. Hayls, a member of Farragut

Post, No. 10, G A R, has undrepsed a circular letter to the officers and dejenstes BOUTELLE & BURR, PROPRIETORS, of the National Encampment of the G A R, which meets at Portland Tuesday, recommending that the Unite States estabtil lustress letters about t be alterated to the first of the first of the first of the first of publication should be alterated for publication should be alterated rather of troops. Mr. Davis advocates this proposed new departure as "graceful act which will close the first gulf existing bitween the sections, and the true intenses of nil gulf existing bitween thing of price that cannot fail to salisfy huge the connection of the sections. humanity, not slone in the United States,

but the wide world over four nuch are such a step as this would be a prictical concession that the men who Army of the Republic, in Portland, the as the men who fought to save k and first meeting held in this State since the organization was formed. It is an honor in bountles and has from the government which every chilms of our good State may treasure as the into r, it will be seen that which every them to the balle to entertain the Busic proposal involves an ulfimite those that remain of the noble army upon expenditure of an immense sum of agone 5 whose devotion to their country we are today indebted for an unbroken Union A the tendency of so many people to allow thousand of her best sons to sustain the ment and principle, when a proposition glorious cause of the Union will extend meets that fujor to pay and pushfon the cordial and most sincere greatings to the men who took up arms against the Union, old veterans from her sister Sentes. This from the treasure which they came of near

So long as there reunda hundride if will be a grand indinspiring sight to see feeling. We have purdoned the men who
